

Huleman brokerage

Heerde, Zwolseweg 50 (8181 AG)

Huleman Makelaardij

- Total area of the plot is 1000m²
- Built in 1970
- Potential projects possible
- Building located near the centre

Transformation project

The former police station with office function is located in a residential area. In our opinion, a redevelopment into a home would be very suitable for this object. The sale will take place through a public sale with the possibility to bid online and privately

Zoning plan:

According to the zoning plan that was established on 01-01-2018, the current zoning is: social

Location

The object is located on the main road of Heerde. the object is easily accessible by car

Lot description

Please note! this auction will be held through a partner platform. The former police station is located in a residential area. In our opinion, a re-development to a house would be very suitable for this object:

- Total area of the plot is 1000m²
- Built in 1970
- Potential projects possible
- Building located near the center
